

3 次の英文[A], [B], [C]の内容に関して, (27) から (38) までの質問に対して最も適切なものを 1, 2, 3, 4 の中から一つ選び, その番号を解答用紙の所定の欄にマークしなさい。

A

From: Jimmy Willis <j.willis@cityuniv.org>
To: Becky Whitlow <bcw@firewolfmail.com>
Date: June 25th
Subject: Open Day

Dear Ms. Whitlow,

Thank you for registering your interest in attending the university open day on August 1st. As mentioned in our brochure, the open day will be an opportunity for high school students to experience university life for a day and attend a number of lectures given by experts in their fields. There will also be a meet-and-greet event where you can speak to current students at our university and ask any questions you may have about university life, club activities and social events. Although university professors will also attend the event, it is not intended to be an interview, so they cannot comment on individual applications.

There is a schedule for the open day attached to this email. The university has arranged three free buses from Central Station to the campus for students coming to the city by train. The buses will leave the station at 8:45 a.m., 9:00 a.m. and 9:15 a.m. Any students who miss the bus are advised to take a taxi as the campus is located several kilometers away from the station and is too far to walk. When the open day has finished, buses will be available to take students back to the station.

The university cafeteria will be undergoing construction work between July and September so we would like to ask all visitors to bring a packed lunch to the open day. There are also several convenience stores within walking distance of the campus. Please ensure you are on time for the opening lecture at 9:30 a.m., as late arrivals will be unable to enter the lecture theater. We look forward to meeting you in August.

Yours sincerely,

Jimmy Willis

University Admissions Manager

- (27) What will happen during the open day?
- 1 There will be an interview with a professor.
 - 2 Application results will be announced.
 - 3 University students will answer questions.
 - 4 High school students will talk about their experiences.
